SUMMER 2023

Relaxation meets  
refinement in these looks  
styled for summer.

# Settle Into Summer

We traveled to a place worlds away from the hustle and bustle, where the land meets the sea, palmettos sway, and tradition sparks inspiration—Lowcountry, a hidden treasure filled with stylish themes of rest and relaxation.

Sit back and enjoy our exploration of bespoke influences and behold the power of natural textures, elegant lines, and sun-washed hues. Find your own summer inspiration from our journey south.

Boasting historic Southern charm, Charleston's captivating natural beauty takes a step back in time. With a backdrop of oak trees covered in Spanish moss, the seacoast city overflows with elegant tradition.

**FLOR Tile + FLORdot™ = Rug**
  
*Our rugs are made out of carpet tiles. Each tile measures 19.7" (50cm) square. Every order comes with our adhesive FLORdots™ that stick to the rug, not your floor.*

# Let's Play!

Meet Anne Gillyard and Jodi Arellano, co-founders of grOH! Playrooms, a Washington, D.C.-based kids' interiors design studio that blends bold design, educational context, and functional elements into epic play-forward spaces. Putting families (and fun!) at the heart of their design philosophy, Anne and Jodi are loyal FLOR customers, placing the beautiful rugs at the forefront of their designs

### TELL US ABOUT YOUR DESIGN PHILOSOPHY. WHAT INSPIRES YOUR VISION FOR A SPACE?

Our design philosophy is based on three pillars of thought: education, organization, and aesthetics. We create spaces that are functional, durable, and organized to meet families' unique needs long-term.

### WHAT ARE YOUR TIPS FOR MIXING AND MATCHING WHIMSICAL COLORS AND PATTERNS?

It's all about balance. We are known for inspiring, fun color palettes, but we intentionally balance colors and patterns through color stories. We learn what our clients are drawn to and share options that have a unifying theme.

### WHEN YOU'RE CHOOSING A RUG FOR A PLAYROOM, WHAT ARE SOME THINGS TO CONSIDER?

Having the right flooring is critical in a play-forward space. We choose flooring strategically to set kiddos up for success. We consider the texture of the floor, carpet pile density, and color variety as well as design that compliments the totality of our design.

### WHAT MADE YOU CHOOSE FLOR?

FLOR area rugs are versatile and customizable beyond belief! They are super durable, easy to clean, low maintenance, and swap-outs are a breeze if necessary. Additionally, we value that FLOR rugs are a sustainable choice and environmentally friendly.

# Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

**1. SAMPLES**  
See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://flor.com/samples) to get started.

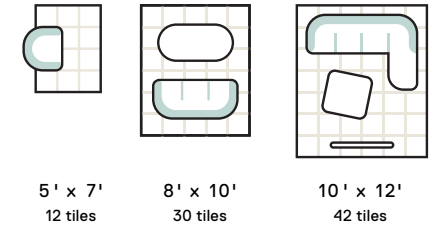

**2. ORDER**  
Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

**3. FLORDOTS**  
These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

**4. EASY CLEANING**  
The tiles come apart for easy cleaning—just loosen the FLORdot, rinse tile in your sink, and put it back in place.

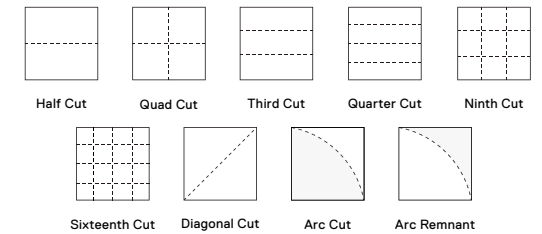

## STANDARD & CUSTOM SIZES

Select a standard rug size or enter your room dimensions into our tile calculator for a custom size. FLOR tiles are 19.7" or 50cm square. Visit us online at [FLOR.com/tile-calculator](https://flor.com/tile-calculator).

Cuts can help you get the best look for your space. Each cut is \$3.50 per tile. We also offer complimentary design services by phone or email.
