Interface
Company

2024 COMMERCIAL LOOK BOOK

As the specialty design brand of Interface, FLOR has been bringing premium rugs to residential and commercial spaces since 2003. FLOR carpet tiles are beautiful, easy to install, and sustainably sourced. Our innovative area rug solution is the perfect design accent for offices, conference rooms, and high-profile collaborative spaces.

FLOR rugs have all the performance benefits of Interface products and come with a 15-year warranty, so they'll get the job done for years to come.

All FLOR products integrate with Interface's flooring system. Bringing together carpet tiles and resilient flooring to create unlimited design options and beautifully considered spaces that deliver a consistent level of performance that you'd expect from Interface.

Act For The Future.

Since 1995, the Interface family of brands keeps millions of pounds of carpet out of landfills each year. We're constantly innovating new methods for making rugs that are beautiful, smart, and responsible, from the moment they're woven to the time they're recycled into a beautiful new look.

Designer to designer.

Whether you're just getting started with a design project or looking for support in the home stretch, the Interface Design Studio is here to help. Our team of trained designers has a wealth of experience and deep knowledge of our products, saving you time by focusing on the foundation of every design project—the floor.

Tailor-made service.

Looking for inspiration? Want to visualize products in a space? Interface Design Studio is equipped to do anything you need, from designing an entire floorplan to developing custom colors—like the one shown in the image to the right—or even original cuts and custom designs.
Work one-on-one with a Design Consultant by phone or email to define your style, discuss your project, and experiment with options for the perfect rug.

Contact your Account Executive or our dedicated FLOR Commercial team today.
